12 January 2017

Articles from The Guardian

The Executive Director would like to your attention to the article published recently in The Guardian. Mr. Taubes is the current “visible critic” against sugar, having recently announced a book entitled “The case against sugar” and appearing in various media.

It is important to take note of the arguments he is projecting in order to better prepare to counter with the truth about sugar’s nutritional value in a well-balanced diet.
