[UK targets calories in next phase of childhood obesity plan](#)

By Katy Askew, 18-Aug-2017

The UK has set its sights on foods with a high calorie count as it updates the country's childhood obesity plan, which previously focused on sugar reduction.

[Cut subsidies for unhealthy commodities and regulate junk food marketing, says World Bank](#)

By David Burrows, 17-Aug-2017

Subsidies and other price support mechanisms for unhealthy ingredients should be scrapped and laws should be introduced to regulate the marketing of unhealthy food to children, according to research published by the World Bank.

[FDf, BRC back 'coordinated' approach to sugar reduction](#)

By Katy Askew, 16-Aug-2017

Industry bodies representing the UK's food and drink sector are backing a "*coordinated*" drive to reduce the amount of sugar in products.
