NPD Group: US consumers beginning to weigh in environmental impact when making food and beverage purchases

15-Oct-2019 By Mary Ellen Shoup

An increasing proportion of US consumers (between 18- and 44-years-old) claim to be factoring in the environmental impact before purchasing a food or beverage product, according to NPD Group.

Herbalife Nutrition: 'We've gotten to the point where we've demonized carbohydrates without adequate education'

26-Sep-2019 By Mary Ellen Shoup

You don't need to be an elite athlete to benefit from the basic principles of sports nutrition, says Dr Dana Ryan, Herbalife Nutrition's director of sports performance and education.
