Newsletter from the American Sugar Association

The Executive Director would like to draw your attention to the first issue of the American Sugar Association's newsletter. Please click on the weblink below to access the excellent information provided.

Dear Sugar Industry,

We are pleased to share our first sugar industry newsletter with you all. Every two months, we'll gather a few of the things we're working on here at the Sugar Association to keep you informed of important issues and projects – and ways to talk about them. The more we all talk about what is important to us as an industry, the louder our voice is. Thank you for reading and please be in touch with any questions.

Sincerely,
Courtney Gaine, PhD, RD
President and CEO
