ISO "FOCUS ON" Autumn Series of Zoom Conferences September - November 2020

The Executive Director wishes to inform you of the schedule of the UPDATED ISO "FOCUS ON" Autumn Zoom Conferences planned for September - November 2020.

These events will be held virtually using the Zoom platform. For ISO events the Secretariat will circulate a reminder a week in advance asking you to inform the Secretariat of your wish to participate. On the day of the meeting the Zoom link will be circulated (30 minutes ahead of the start time) to all those who have registered so they can log in and participate. It is expected that each conference will last approximately one hour.

The ISO hopes as many of you as possible can participate in these conferences and webinars, which the Secretariat trusts will bring added value to understanding the current situation and future challenges and opportunities for our industry.
