**EXECUTIVE DIRECTOR**

**Press Release(20)50  
(English only)**

**1 September 2020**

## **COVID 19**

### **International Sugar Organization Secretariat**

#### **Gradual Office Reopening**

The Executive Director would like to inform you that the UK Government has begun to encourage a return to work as the situation with COVID-19 continues to improve. Taking into consideration the current regulations and the risk of a second wave, the ISO Secretariat office will begin to return to the office in a gradual manner; in order to keep providing the highest level of service, staff will initially combine coming back to the office with continuing to perform tasks at home

All ISO staff are reachable, preferably by email, and also by phone. The phone number operates normally and all calls will be answered. So far, the ISO Secretariat has demonstrated that during this lockdown its level of professional service to Members remains solid and covers all the main areas of relevance.

This situation will be regularly reviewed by the Executive Director with the next review date being 1 October, 2020. Members will continue to be kept informed of any change in circumstances.
